This World: Gypsy Bling Kings

A new genre of music dubbed the 'gypsy version of gangster rap' is sweeping the Roma community - and bringing with it a culture that glorifies champagne, fast cars, and splashing cash.

Runtime: 55 min. DR2

Homeland VI (8:12)

Thank God! Carrie, after spending most of this season plodding around in the dark, finally saw the light thanks to a random picture and a random story from years past. It's not so much that the moment when everything clicked for our heroine was exciting. It was more a relief. We've been watching Carrie and Saul dance around discovering Allison so much that it's felt more like her show than theirs.

Runtime: 52 min. DR2
